

Test Manual for Approval Management of Budget Estimation

Document Version V.1.0

Release Date: April 11th, 2021

Created By: SComm IT Software Development Team

This manual will cover the fellow feature of Budget Estimation solution:

- Input Definition
- Creating a new Budget Estimation
- Approving the Budget Estimation
- Next Level Approving continues of the Budget Estimation
- Roll backed Budget Estimation
- Creator revision
- Repeated Approving the Budget Estimation
- Repeated Approving continues of the Budget Estimation
- Final Approving continues of the Budget Estimation

Input Definition:

Input-1: *Approval For* is a dropdown, has New Budget Estimate, Memo and PROCUREMENT APPROVAL as input. This is just a tag at this moment.

Input -2: *Subject* is a short string/text input.

Input-3: *Objective* is a long string/text input.

Input-4: *Details* is a rich text input. You can highlight/provide bold text, bullet points, table to present the budget estimation.

Input-5: *Plan Date* is a duration of the project or estimated budget. *Start* and *End* date is capture here to drive the duration.

Input-6: *Attachments* is a file up-loader, multiple files can be attached as required. Max file size is 10Mb.

Input-7: *Add Particular* is an optional input. There is multiple category and line item to build a detailed budgets. User can add item, its quantity, price, owner department and remarks for each line item. During approval owner department can update their line items if required. Business control department has special feature to control lien items. Then can update any departments' line item and also can add new item. These feature is configurable for any department.

Input-8: *Approval workflow* is a dynamic escalation/workflow matrix maker. Both parallel and sequential approval escalation can be made. Here **Final Approver** is the last stage of approval. Other approver as marked as **Recommender**. User can be marked as **informed** as required to get notification and view only.

Input-9: *Submit button* is for final submission. After giving input and final confirmation, the estimation will proceed to dynamically approval matrix.

Input-10: *Draft button* is to save the newly created estimation for submission. After giving input and final confirmation, the estimation will be kept in a separate parking from where the same can be finally submitted or again drafted.

Input-11: *Clear Form* is to cancel the estimation and clear the form.

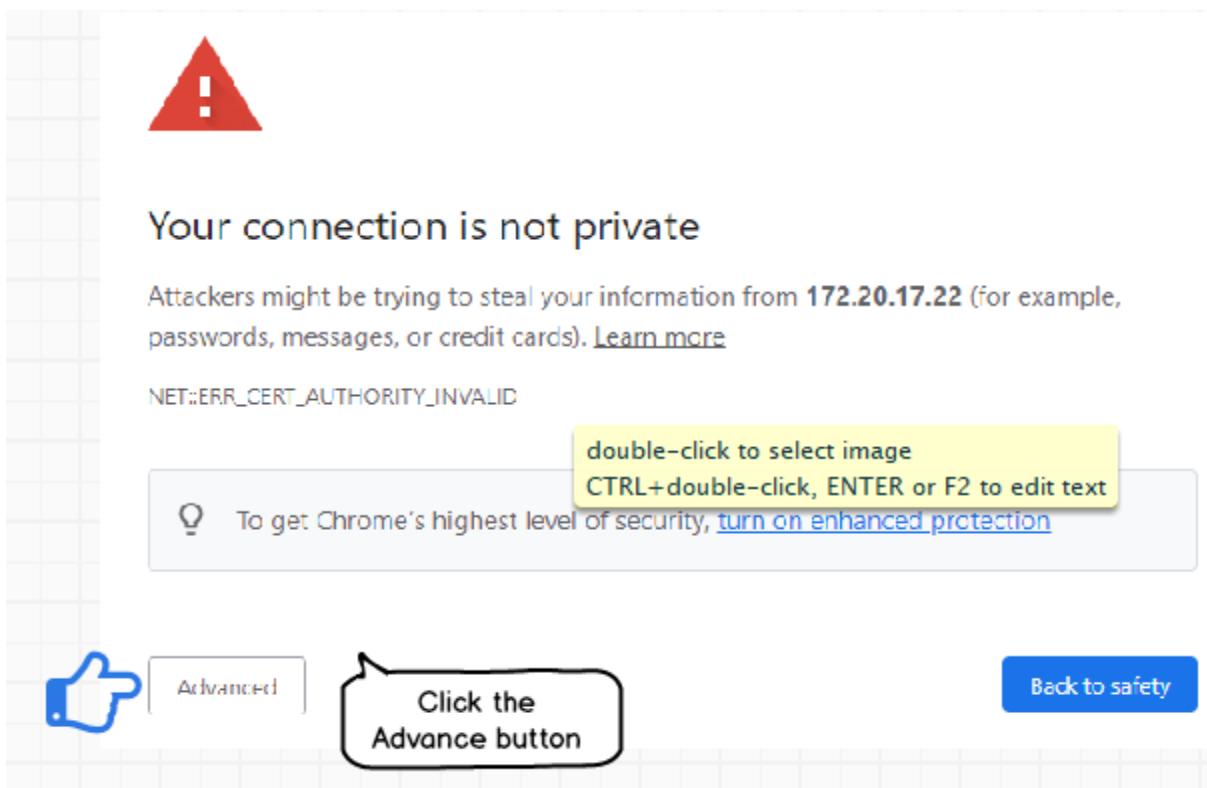

Creating a new Budget Estimation or Memo or PROCUREMENT APPROVAL

Step 1: Login to the Approval Management System. At the very first event when a new user tries to get into the application through browser, due to HTTPS certification issue below alert/notification will appear in browser. Just, click detail and advance to login form.

URL: [as given in mail communications.](#)

Certification Issue (Chrome user):

For security of AMS, HTTPS is implemented with .net core framework. Since HTTPS license/certificate was not installed in the server hence it is showing the certification message. Since this is our own application and hosted, so it is safe to proceed and go to login page. We can proceed by clicking the details as per below images.

Your connection is not private

Attackers might be trying to steal your information from **172.20.17.22** (for example, passwords, messages, or credit cards). [Learn more](#)

NET::ERR_CERT_AUTHORITY_INVALID

STEP-2: Please provide user/password here to go ...

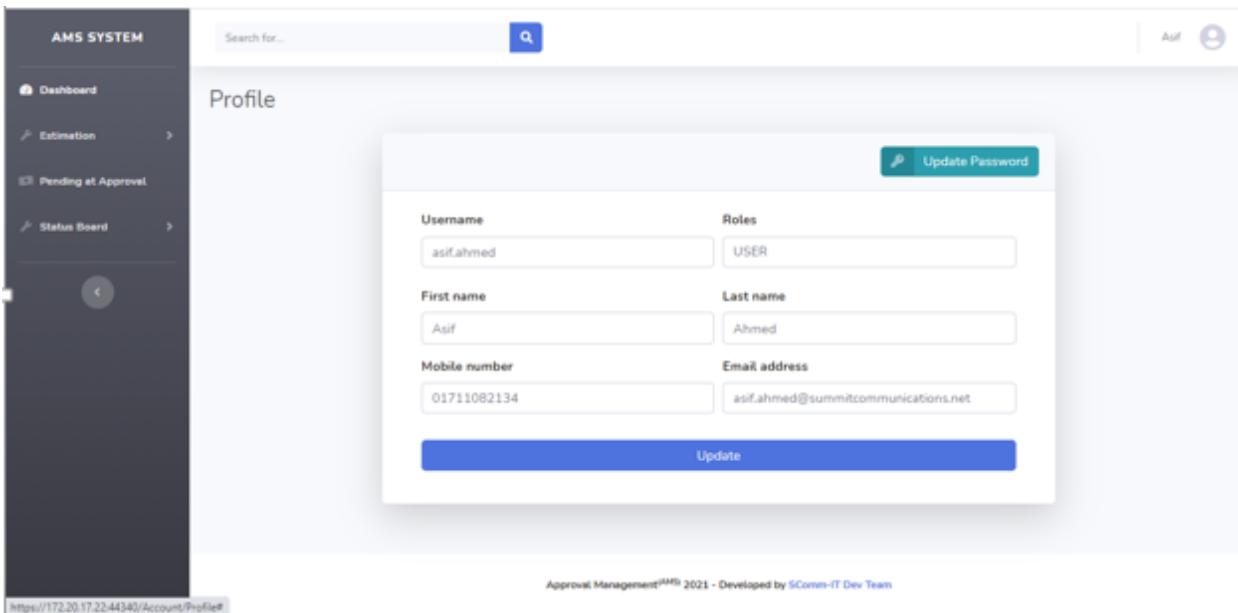

Page View: 03

Change password: Navigate to **Profile** and click **update password** button.

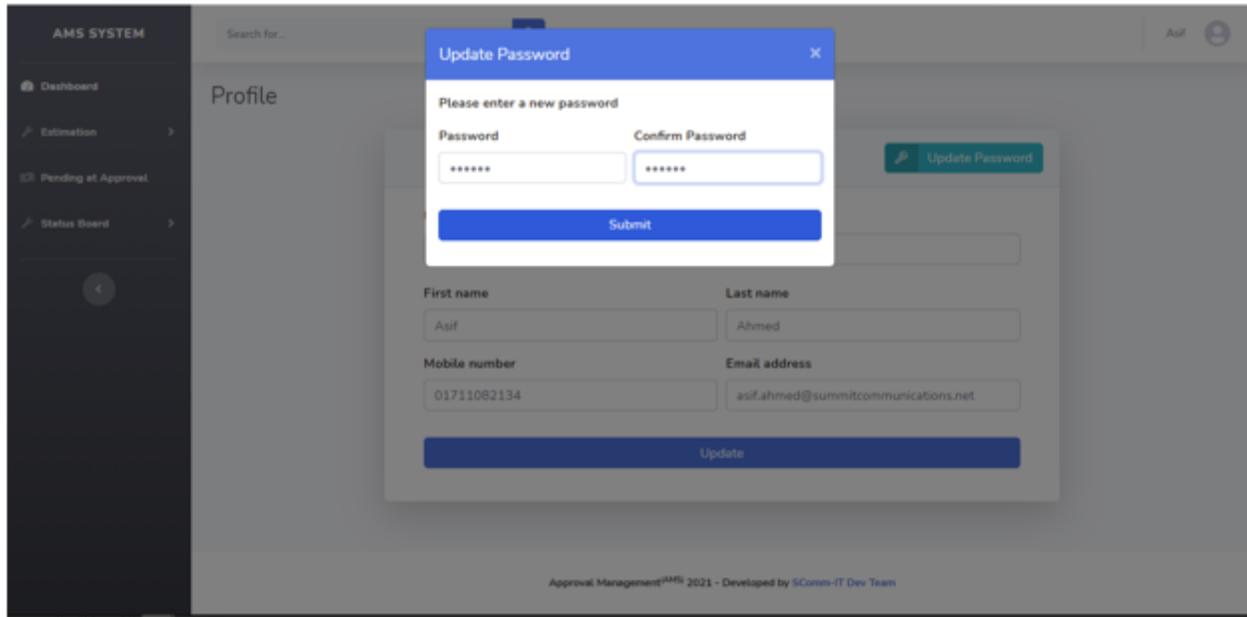

The screenshot shows the AMS System Dashboard. On the left is a sidebar with navigation links: Dashboard, Estimation, Pending at Approval, and Status Board. The main area has a search bar and a user profile icon. A context menu is open for the user 'Asif'. The dashboard displays several cards: 'Running Budget' (0), 'Completed Budget' (1), 'Total Budget Amount' (TK. 10500), 'Drafted Budget' (0), 'TOTAL SESSIONS' (234), 'TOTAL USERS' (486), 'TOTAL ROLES' (3), and 'TOTAL CONFG ITEMS' (8). At the bottom, the URL is https://172.20.17.22:44340/Account/Profile.

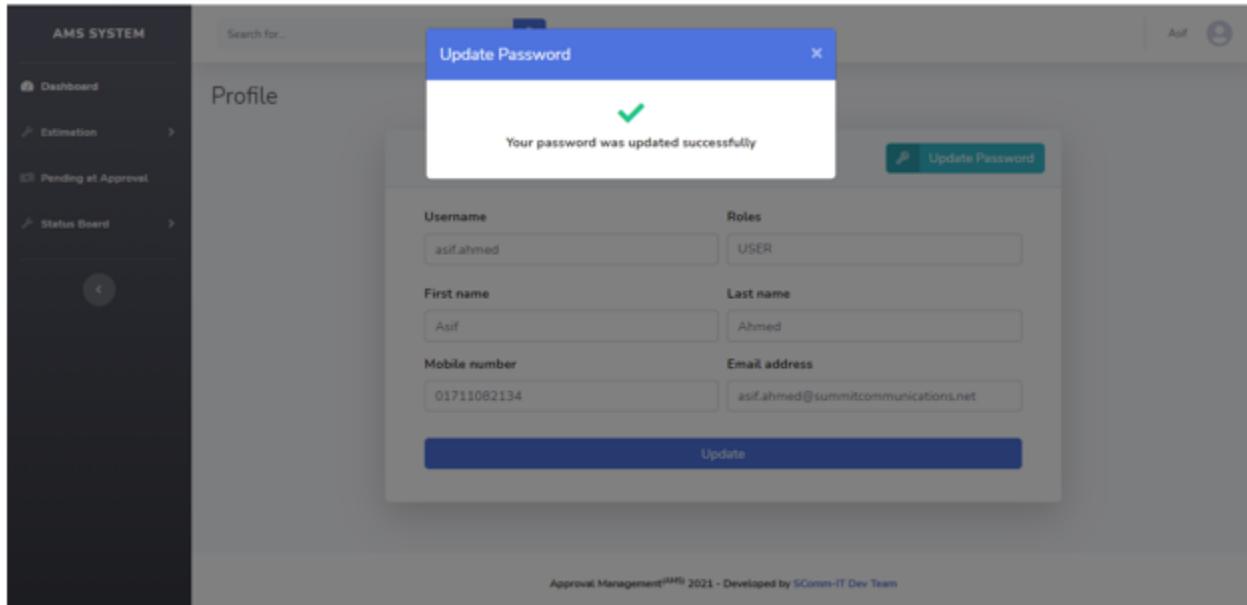

The screenshot shows the AMS System Profile page. The sidebar and search bar are identical to the dashboard. The main area is titled 'Profile' and contains a form for updating personal information. The form fields include: Username (asifahmed), Roles (USER), First name (Asif), Last name (Ahmed), Mobile number (01711082134), and Email address (asif.ahmed@summitcommunications.net). A large blue 'Update' button is at the bottom. The URL is https://172.20.17.22:44340/Account/Profile#.

Provide your desire password and click **Submit** button to update in database.

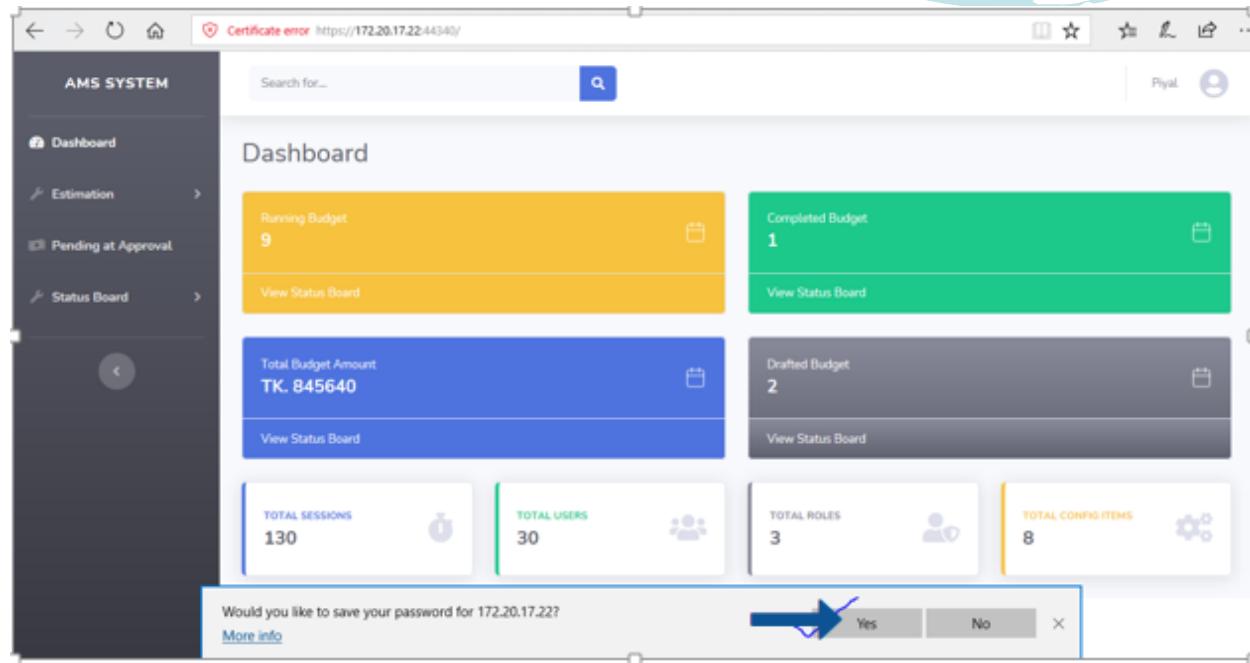

The screenshot shows a 'Profile' section of an application. A 'Update Password' modal is open in the center. It contains two input fields: 'Password' and 'Confirm Password', both currently showing '*****'. Below these is a blue 'Submit' button. At the bottom of the modal, there are four input fields: 'First name' (Asif), 'Last name' (Ahmed), 'Mobile number' (01711082134), and 'Email address' (asif.ahmed@summitcommunications.net). A large blue 'Update' button is located at the bottom of the profile section.

The screenshot shows the same 'Profile' section after the password update. The 'Update Password' modal now displays a green checkmark icon and the text 'Your password was updated successfully'. The rest of the interface remains the same, with the 'Update' button still visible at the bottom.

STEP-3: Home screen after successful login. Navigate to Estimate→Add Budget to create new estimate.

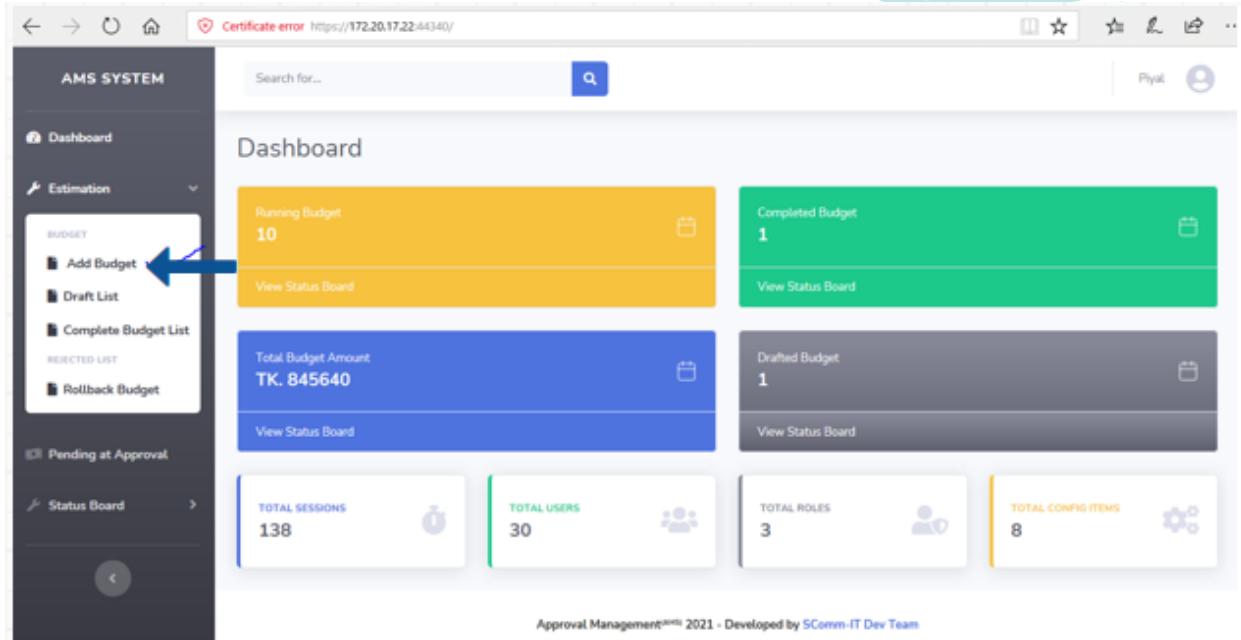

The screenshot shows the AMS System Dashboard. On the left, a sidebar menu includes 'Dashboard', 'Estimation' (selected), 'Pending at Approval', and 'Status Board'. The main dashboard area displays the following information:

- Budget Status:**
 - Running Budget:** 9 (Yellow box)
 - Completed Budget:** 1 (Green box)
 - Total Budget Amount:** TK. 845640 (Blue box)
 - Drafted Budget:** 2 (Grey box)
- User Metrics:**
 - TOTAL SESSIONS:** 130
 - TOTAL USERS:** 30
 - TOTAL ROLES:** 3
 - TOTAL CONFIG ITEMS:** 8

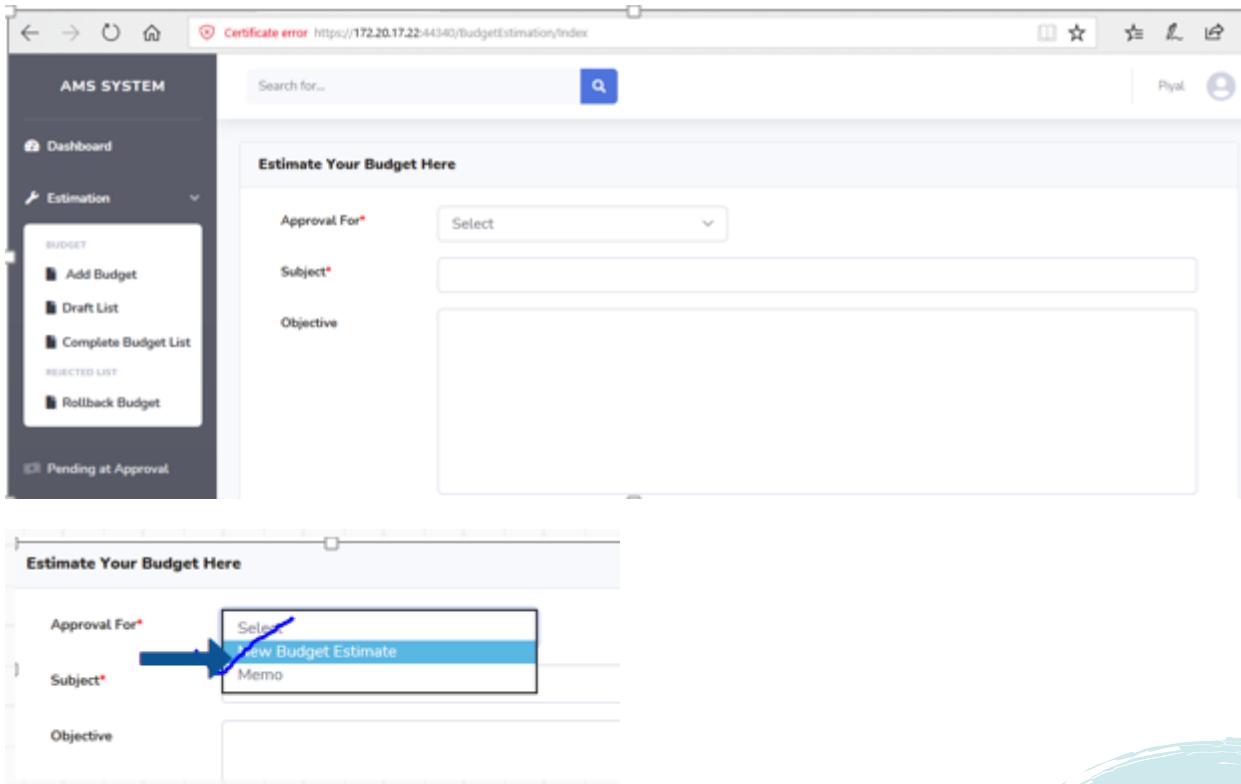

At the bottom of the dashboard, a modal dialog asks: "Would you like to save your password for 172.20.17.22?". It contains "More info", "Yes" (highlighted with a blue arrow), "No", and "X" buttons.

STEP-4: To give input navigate to Add Budget feature:

The screenshot shows the AMS System dashboard. On the left sidebar under the 'Estimation' section, there is a 'BUDGET' category with four options: 'Add Budget', 'Draft List', 'Complete Budget List', and 'Rejected List'. A blue arrow points to the 'Add Budget' option. The main dashboard area displays several cards: 'Running Budget' (10), 'Completed Budget' (1), 'Total Budget Amount' (TK. 845640), 'Drafted Budget' (1), 'TOTAL SESSIONS' (138), 'TOTAL USERS' (30), 'TOTAL ROLES' (3), and 'TOTAL CONFIG ITEMS' (8). At the bottom, it says 'Approval Management^{AMS} 2021 - Developed by SComm-IT Dev Team'.

As you click the **Add Budget** menu, Input form will appear as below. Give your input as required.

The screenshot shows two views of the 'Estimate Your Budget Here' form. The top view shows the form with fields: 'Approval For*' (dropdown menu), 'Subject*' (text input), and 'Objective' (text input). The bottom view shows the same form, but the 'Approval For*' dropdown is open, displaying a list of options. One option, 'New Budget Estimate Memo', is highlighted with a blue arrow and a blue background.

RIO-2	42000.00	CONSTRUCTION & SERVICE	42000.00

After pressing the Draft button, a confirmation popup appears as notification.

The screenshot shows a user interface for managing approvals. At the top, there's a header with 'Employee List*', a dropdown set to 'Arif Al Islam/ MD's Office', and a 'Time Line' field showing '05/24/2021'. Below this is a 'Approver List' table with five rows of data. A modal window titled 'SUCCESS' is displayed in the center, containing the message 'Draft Saved Successfully!' and an 'OK' button. At the bottom of the page are three buttons: 'Submit', 'Draft' (which is highlighted in blue), and 'Clear Form'.

#	Approver Name	Approver Type	Approver Department	Expected Time
1	Md. Farrukh Imtiaz/ Planning, Architecture & Design	Recommender	Planning, Architecture & Design	05/13/2021
2	Md Sayed Nazmul Hasan/ Business Control	Recommender	Business Control	05/16/2021

4	Md Tahmidur Rahman/ Business Control	Recommender	Business Control	05/22/2021
5	Arif Al Islam/ MD's Office	Final Approver	MD's Office	05/24/2021

Draft is parked in a separate menu and parking. After Draft, the system will automatically redirect to the Draft page.

The screenshot shows the 'Draft Budget List' page. On the left, there's a sidebar with 'Estimation' selected, showing options like 'Add Budget', 'Draft List' (which has a blue arrow pointing to it), and 'Complete Budget List'. The main area shows a table with one entry. The table columns are SL., Estimate Type, Identity, Subject, Start Date, End Date, Total Price(tk.), and Action. The 'Action' column contains a checkbox and a link. Below the table, it says 'Showing 1 to 1 of 1 entries'. At the bottom right of the table area, there are 'Previous' and 'Next' buttons.

From Draft, user can update the input as required and then will finally submit.

The screenshot shows the 'Edit Draft Estimate Your Budget Here' form. It includes fields for 'Approval For*' (set to 'New Budget Estimate'), 'Identification*' (set to 'NB-Pla-04102021-14'), 'Subject*' (set to 'Provision of Multiple Capacity'), and an 'Objective' text area. The 'Objective' area contains a large block of text that appears to be a copy-paste error or a placeholder.

When the work is done, user should logout from the system.

The screenshot shows the ANS SYSTEM interface with a 'Budget Details' form. A modal dialog box titled 'Logout' is centered, asking 'Please confirm if you are ready to end your current session.' with 'Cancel' and 'Logout' buttons. The background shows fields for 'Approval For*', 'Identification*', 'Subject*', 'Objective', and 'Plan Date'. The 'Objective' field contains a large amount of repeating text. The 'Plan Date' section shows 'Start*' and 'End*' fields with dates '2021-04-10' and '2021-04-29' respectively. There are also 'Attachments' sections with files 'pepsi.jpg' and 'OPUS.PNG'.

Approving the Budget Estimation or memo

Step-1: Respective line manager/approver should Login to the system to check his approval pending parking view.

Step-2: Check his approval pending parking view. Click the button in Action column as given in below.

SL.	Subject	Identifier	Estimate Type	Start Date	End Date	Total Price (tk.)	Created By	Action
2	Provision of Multiple Capacity	NB-Pla-04102021-14	New Budget Estimate	10-04-2021	29-04-2021	47720	Piyal Halder/Planning, Architecture & Design	<input checked="" type="checkbox"/>

Next Level Approving continues of the Budget Estimation or memo

Step-1: Respective line manager/approver should Login to the system to check his approval pending parking view.

Step-2: Check his approval pending parking view. Click the button in Action column as given in below.

The screenshot shows the AMS SYSTEM dashboard. On the left, there is a sidebar with navigation links: Dashboard, Estimation, Pending at Approval (which has a blue arrow pointing to it), and Status Board. The main area is titled "Approver Pending" and displays a table of budget estimation entries. The table has columns for SL., Subject, Identifier, Estimate Type, Start Date, End Date, Total Price(tk.), Created By, and Action. The first entry in the table is: SL. 1, Subject: Provision of Multiple Capacity, Identifier: NB-Pla-04102021-14, Estimate Type: New Budget Estimate, Start Date: 10-04-2021, End Date: 29-04-2021, Total Price(tk.): 47720, Created By: Piyal Helder/Planning, Architecture & Design, and Action: (edit icon). A blue arrow points to the "Action" column header, and another blue arrow points to the edit icon in the first row of the table. At the bottom of the table, it says "Showing 1 to 1 of 1 entries".

Step-3: Approver can view details of the estimation before approval/rollback/rejection.

<input type="text"/> ✓ Approved ↻ Rollback Request ⓧ Reject				

Step-4: After approval/rollback/rejection to monitor the progress the estimation can be seen from Status Board (Dashboard) as per below image.

The screenshot shows the AMS SYSTEM interface with the 'Status Board' module selected. On the left, a sidebar lists 'Completed' tasks, with one item highlighted. The main area displays a 'Running Budget Estimation Status Board' with two entries. Each entry includes 'Budget Detail', 'Creation Details', and 'Work Flow' sections. The 'Work Flow' section shows a sequence of approvals from different users, each with a timestamp and response message. A blue arrow points from the 'Completed' tasks in the sidebar to the first entry in the status board.
